**Early Bird Registration \$200.00 through December 1  
\$225.00 after December 1**

This one day training event will enable staff to better understand and assist in the Collaborative Process. They will learn how to introduce the collaborative option to clients beginning with their first call to the professional's office. Attendees will also be introduced to methods that have proven successful for the professional staff to support the collaborative practice, including using multi-party meeting programs to schedule the entire team for pre-telephone conferences and live meetings, preparation of notebooks, agendas, and minutes.
